Hans/Loreen:

Pls. See the draft of the agreement + related questions. I also assume that you are planning on having Covance take a first look @ drafting the project agreements as we discussed before the holidays?

I will get back to you on the policy question.

Chris

p.s.-- any comments on the note concerning MDS I sent to you last week?

Dear Chris,
where are we standing with the Covance contract?
And where are we standing with the policy for human studies?
Best regards
Hans
